Dear Salesian Sisters and Brothers,

Today we celebrated Labor Day and I celebrated it with the communities of the Southland. Fr. Nick Reina and his community in Bellflower hosted the SDB communities from the Los Angeles area. Among the invited guests were Fr. Dave Purdy’s brother and his family. Br. Joe Reza’s brother and his wife and her brother were also present. Many thanks to Fr. Nick and Fr. Tuan Nguyen who, with the help of many others, helped prepare a wonderful barbecue dinner. It was good to have had most of the SDBs from the Southland. Don Bosco Hall, Berkeley invited the SDBs from the North to their barbecue get together.

Last week all of our school presidents and the SDB directors of those schools met in Richmond, at Salesian High School, for a meeting.

Br. Al Vu, coordinator of schools and Mr. Bill Goodman, led the meeting. I was also present. It was good to gather and at the end, for our evaluation, it was clear that everyone felt that the gathering was beneficial. I sensed that our presidents were glad to have been invited and wanted to meet again. They were grateful for the Salesian input. We hope to meet with them again in the spring.

The day after our meeting with the presidents, the directors and pastors got together, also at Salesian High School, Richmond. In the morning, we had invited Mr. Gregory Toler and Gloria Espinoza, who work in the Human Resource (HR) for the Diocese of Oakland. Only Mr. Gregory Toler was able to be present. He did a very good job presenting some HR issues and procedures to our directors and pastors. In recent years, the province has had to confront some employee issues that require professional assistance. Ministering in today’s world is much more complex and involves legal knowledge that most of us are not versed in. It was good for our directors and pastors to hear some of the policies and procedures that need to be followed when faced with employee and human issues in our ministries. The big “take away” is to call for guidance when we are not sure which way to proceed. The HR department in the diocese is there to help out and to give advise. “Use them.”

Dealing with the SDBs from the Southland in Bellflower, San Gabriel, Long Beach, San Pedro and the Los Angeles area.

IN THE AFTERNOON OF THE DIRECTORS AND PASTORS MEETING, WE TOOK UP TOPICS PERTAINING TO THE UPCOMING PROVINCIAL CHAPTER, WHICH WILL TAKE PLACE IN JUNE OF 2019. THE EXTRAORDINARY VISITATION WHICH IS SCHEDULED FOR MARCH 12 TO MAY 11 WITH FR. MARIA AROKIAM KANAGA AS OUR VISITOR: FR. JOHN ROCHE GAVE A PRESENTATION ON VOCATIONS; FR. MEL TRINIDAD SPOKE ON YOUTH MINISTRY; AND THERE WAS TIME FOR SHARING AND ORGANIZING THE YEARLY SCHEDULE OF WHO WOULD BE HOSTING WHAT (THANKSGIVING, CHRISTMAS, EASTER, QUARTERLY DAYS OF RECOLLECTION, ETC.) IN NORTHERN AND SOUTHERN CALIFORNIA. IT WAS A FRUITFUL AND GOOD DAY.

TODAY, LABOR DAY, THE RETURMON MAJOR, FR. ANGEL FERNANDEZ ARTIME, LANDED IN WESTERN CANADA FOR HIS SIX DAYS VISITING THE EASTERN PROVINCE IN CANADA. AS YOU MAY KNOW, FR. ANGEL WAS NOT ALLOWED ENTRANCE INTO THE UNITED STATES DUE TO COMPLICATIONS WITH HIS VISA. ENTRANCE INTO CANADA PROVED TO BE NO PROBLEM. SINCE CANADA BELONGS TO THE EASTERN (NEW ROCHELLE) PROVINCE, THEIR PROVINCIAL COUNCIL WILL MEET WITH THE RETURMON MAJOR SOMETIME DURING THE WEEK. OUR PROVINCIAL COUNCIL IN THE SAN FRANCISCO PROVINCE, WILL TRAVEL TO TIJUANA NEXT SUNDAY, SEPTEMBER 9 AND MEET WITH FR. ANGEL ON MONDAY. WE WILL SPEND THE NIGHT IN TIJUANA AND RETURN TO LOS ANGELES ON MONDAY AFTERNOON AFTER OUR MEETING AND LUNCH WITH THE RETURMON MAJOR. THE PROVINCIAL COUNCIL WILL SPEND ANOTHER DAY AND A HALF TOGETHER IN LOS ANGELES TO CONTINUE OUR COUNCIL MEETINGS.

ON SEPTEMBER 16TH, THE PROVINCE WILL CELEBRATE THE FINAL VOWS (PERPETUAL PROFESSION) OF OUR BROTHER, PETER LE. THE CEREMONY WILL TAKE PLACE AT ST. DOMINIC SAVIO PARISH IN BELLFLOWER, AT 3PM. FR. TIM PLOCH WILL BE THE MAIN PRESIDER AT THE EUCHARIST. WE ARE HONORED AND FILLED WITH GREAT JOY TO HAVE ONE OF OUR BROTHERS MAKE HIS FINAL PROFESSION WITH US. BR. PETER, WHO IS STUDYING IN TURIN, ITALY, WAS ORDAINED TO THE DIACONATE IN A YEAR OR SO WHICH WILL LEAD TO HIS ORDAINMENT TO THE PRIESTHOOD. WE THANK GOD FOR PETER AND FOR HIS SERVICE TO THE PROVINCE AND THE CONGREGATION AND FOR HIS “YES” TO FOLLOWING GOD A SALESIAN OF DON BOSCO.

I WILL BE IN SAN FRANCISCO, AT THE PROVINCIAL HOUSE, ON WEDNESDAY, SEPTEMBER 5 TO SUNDAY, SEPTEMBER 9. THE PROVINCIAL COUNCIL WILL GATHER ON THE 9TH IN BELLFLOWER TO HEAD OUT TO TIJUANA FOR OUR VISIT WITH THE RETURMON MAJOR. I WILL BE IN LOS ANGELES THE WEEK OF SEPTEMBER 10TH AND RETURN TO SAN FRANCISCO AFTER THE 18TH.

FOR ME, LABOR DAY HAS ALWAYS BEEN ASSOCIATED AS THE LAST DAY BEFORE SCHOOL BEGINS AND SUMMER VACATION COMES TO AN END. TODAY, MOST OF OUR CATHOLIC SCHOOLS HAVE ALREADY BEEN IN SESSION FOR TWO WEEKS. BUT, STILL THIS LABOR DAY SIGNALS THE END OF SUMMER VACATION. BUT, LABOR DAY REPRESENTS MUCH MORE THAN THAT. IT IS A DAY TO HONOR THOSE WHO WORK HARD TO MAKE OUR COUNTRY THE GREAT NATION THAT IT HAS BECOME. LABOR DAY IS A DAY OF PRAYER FOR THOSE WHO STILL DO NOT RECEIVE JUST WAGES, DO NOT WORK IN HUMANE CONDITIONS AND ENVIRONMENTS, THOSE WHO STRUGGLE TO MAKE ENDS MEET IN ORDER TO SUPPORT THEIR FAMILIES AND THOSE WHO WORK UNDER MUCH STRESS, FEAR AND LACK OF APPRECIATION.

LET US REMEMBER ALL WORKERS. GOD HAS SANCTIFIED WORK AND THE FRUIT OF OUR HANDS. WE WORK TO BUILD THE KINGDOM OF GOD. MANY PEOPLE IN OUR COUNTRY STILL DO NOT WORK IN JUST CONDITIONS. LET US PRAY FOR ALL WORKERS, FOR FAIR WAGES AND FOR A GREATER APPRECIATION OF ALL THOSE WHO WORK SO THAT OUR LIVES ARE LIVED WITH GREATER EASE, COMFORT AND HAPPINESS. WHETHER THEY ARE LEGAL OR NOT, DOCUMENTED OR NOT, THESE ARE HUMAN BEINGS, IMAGES OF OUR LOVING CREATOR, WHO MAKE THEIR LIVING FROM THE SWEAT OF THEIR BROW. TO ALL OF THEM—WE SAY THANK YOU AND MAY OUR PRAYERS AND GOD’S BLESSINGS ALWAYS SURROUND THEM. AND, MAY WE BE COURAGEOUS TO DEFEND THE RIGHTS OF WORKERS AND HONOR THE WORK OF THEIR HANDS.

WITH WARM REGARDS AND MUCH GRATITUDE,

THE BEAUTIFUL, STATE-OF-THE-ART NEW ATHLETIC STADIUM ON ST. JOHN BOSCO’S CAMPUS OPENED UP WITH A BRAVES 49-0 VICTORY FRIDAY NIGHT ON A LEGENDARY DAY IN BOSCO HISTORY. FIVE YEARS, IT’S BEEN FIVE WHOLE YEARS SINCE A HOME FOOTBALL GAME HAS BEEN HOSTED ON THE CAMPUS OF ST. JOHN BOSCO. BUT NO MORE. PANISH FAMILY STADIUM OFFICIALLY OPENED LAST NIGHT ON A BEAUTIFUL NIGHT IN BELLFLOWER, CALIFORNIA.

“I THINK THIS IS BIG FOR THE CULTURE OF OUR CAMPUS. [THIS STADIUM] WILL BRING EVERYBODY BACK TOGETHER AND BACK ON OUR CAMPUS, WHICH IS GREAT,” SCHOOL PRESIDENT DENNIS MULHAUPT STATES.

NOT ONLY IS THIS NEW STADIUM FOR FOOTBALL, BUT IS FOR ALL ATHLETIC TEAMS THAT USE THE FIELD IN THEIR RESPECTIVE SPORT TO ENJOY AND TO USE. IT WILL ALSO BE A CENTRAL POINT FOR SCHOOL RALLIES AND COMMUNITY BUILDING EXERCISES THAT ALL OF BOSCO CAN ENJOY.

“WE ARE THE ONLY SCHOOL IN THE TRINITY LEAGUE THAT HAS AN ON-CAMPUS STADIUM [NOW],” SAYS MULHAUPT IN REGARD TO IF THIS STADIUM REALLY SHOWS THE FUTURE OF BOSCO AND ITS PROGRESSION AS A SCHOOL.

THE NEW STADIUM SHOWS HOW FAR AHEAD ST. JOHN BOSCO IS AHEAD OF THE CURVE, WHICH IS EXCELLENT FOR SCHOOL EXPOSURE AND EXCELLENT FOR MANY ON-CAMPUS OPPORTUNITIES AS WELL, SUCH AS PRE-GAME TAILGATES AND FESTIVITIES.

“I THINK IT’S HUGE FOR THE ALUMNI AS WELL,” SAYS MULHAUPT. “I THINK THERE’S A TREMENDOUS AMOUNT OF EXCITEMENT FOR THIS FROM ALUMNI OF ALL ERAS. IT’S GREAT BECAUSE FOR THE ALUMNI WHO HAVEN’T BEEN HERE IN A WHILE CAN NOW COME BACK AND SEE HOW MUCH PROGRESSION THE OVERALL SCHOOL HAS MADE AS WELL.”

BOSCO ALUMNI OF ALL ERAS AND GRADUATING CLASSES CAN ALL BE UNITED AS ONE UNDER THIS STADIUM’S OPENING, AS MANY MADE THE TRIP BACK TO ST. JOHN BOSCO HIGH SCHOOL LAST NIGHT TO TAKE IN THE SIGHTS AND SOUNDS FROM GAME ONE AT PANISH FAMILY STADIUM.

AT THE STADIUM, THERE’S NOW A DEDICATED STUDENT SECTION FOR THE TRIBE AND THERE’S TWO PRESS BOXES WITH TWO SUITES INSIDE THEM FOR VIP PURPOSES. THE NEW SCOREBOARD AS WELL HAS GENERATED MUCH HYPE, WHICH WILL SHOW GRAPHICS AND VIDEO THROUGHOUT GAMES ALL YEAR LONG. THE SCHOOL ALSO PLANS TO USE THIS SCOREBOARD TO HOST FUTURE CLASSES FOR STUDENT INTERESTED IN PROGRAMMING AND RUNNING A SCOREBOARD OF ITS KIND.

FOR THE STADIUM, BOSCO JUST DOESN’T HAVE IT’S LIMITS SET ON HOSTING SPORTING EVENTS EITHER.

“I THINK IT CAN ACCOMMODATE CONCERTS, MAYBE SOME PARTIES, AND OTHER KIND OF EVENTS FOR THE SCHOOL SUCH AS COMMEMORATION. WE’RE REALLY NOT CONstrained, IT’S GOING TO BE UP TO THE STUDENTS TO FIGURE OUT WHAT THEY WOULD LIKE TO HAVE THERE,” SAYS MULHAUPT.

WITH THIS FIELD IN PLACE, STUDENTS NOW HAVE THE SPACE AND OPPORTUNITY TO GENERATE IDEAS FOR POSSIBLE EVENTS THEY MAY WISH TO HAVE THERE, WHICH IS AN EXCELLENT SIGN FOR THE STUDENT BODY AND THE SCHOOL IN GENERAL.

PARKING MIGHT CONTINUE TO BE TOUGH FOR THE STADIUM, ESPECIALLY WITH LIMITED SPACE IN THE AREA, WHICH IS WHY SCHOOL ADVISORS ARE TELLING PEOPLE TO GET HERE EARLY.

NONETHELESS, PANISH FAMILY STADIUM IS OFFICIALLY OPEN, SO WELCOME TO YOUR NEW HOME FOR SPORTS AND ACTIVITIES ON CAMPUS, BRAVES!”

Loneliness – A Threat to Your Health (Part 1)

By Sheila Kun RN, BA, BSN, MS
(Salesian Cooperator)

Loneliness is a diagnosis that I bet you have not seen or heard as a diagnosis on your problem list in your health record. Don’t feel that you are a slow learner or ill-informed. I have not seen this “diagnosis” in my 42 years of nursing career either. Why haven’t you heard about it? To give you the honest answer: I just invented it.

I personally feel that “loneliness” is a clinical condition that acts like the flu. It is seasonally, that means, it probably affects people with a weak baseline. In this case, the aging seniors, the ones who lost their spouse, the ones with special needs that are not attended to. I believe in spite of the elders who are at risk because they are left behind by their adult children or spouse, loneliness does not spare the teens either. For those of you who have grown up children, do you remember how bored the teens are? Those who are not involved with sports or activities after school, the vulnerable time are being left alone. What do they do? They experiment with activities that you don’t want them to do.

For our seniors, the feeling of lonely is multi-factorial: the peril of retirement for one. Think about all your life, your self-esteem and identify if related to your profession. Now retired, with plenty of time on hand, there is no project to manage, no people to supervise and no regular routine of dressing up in the morning to report to work. This is a risky time to feel worthless and unrewarding. “How should I manage my life after retirement?” Needs to be well thought out and planned. Another difficult time is when our body machine is falling apart (which by the way, is a natural process – even iron gets rusty after years of service). You are threatened by the new experience of accepting a medical diagnosis that could be chronic or in many cases fatal. Your health is no longer robust. You now have a new routine of resting in bed, or making multiple trips to the doctors, even surrounded by families, you are very alone in understanding. Accepting and responding to a terminal diagnosis in a positive way. Take the diagnosis of cancer, your friends start feeling sorry for you, but they don’t know whether to engage you in social activities or let you rest undisturbed. Many don’t even know how to convey words of comfort or encouragement. You are very alone in this process.

The death of a spouse or a family member is another critical moment when you feel the void. Their departure takes away your laughter, your hope, your comfort and in many cases, your daily routine. The world becomes silent. You are aimless in life; you can’t sleep or you don’t want to get up. Life is not worth getting for. The sense of grief is so overpowering that you do not care for the people around you. “Leave me alone!” “You don’t understand how I feel!” This is an invitation to the diagnosis of loneliness as a health hazard.

In addition to this primary diagnosis, I also observed that there is a co-existing condition, which in the medical world, we call it co-morbidity. This secondary diagnosis that is closely associated with loneliness is isolation.

“Go away, leave me alone!” The social isolation. Sometimes either from family members, is real. You don’t want to step out of the bedroom. You are not interested in what is going on around you because you are dealing with a situation that is so scary. There is no rehearsal to be brave when your diagnosis is cancer at an advanced stage. There is no rehearsal to be strong when your loved one passes away. Now knowing these facts of life. Is there something like the flu vaccine that we can take to avoid the diagnosis of loneliness?

(Stay tune for Part 2 with the next Intouch newsletter)

Your homework assignment from the Care Ministry this week:

Are you or someone that you know are at risk of the diagnosis of “loneliness”? Recognizing the circumstances is the first step.
The new missionaries “Don Bosco” sends forth in 2018 are not those in this photograph ... There is some difference in clothes, colours and facial features ... but they have the same spirit. On 30/09/18 the Rector Major, Fr. Ángel F. Artime, sends 25 Salesians to Ireland, Belgium, Ukraine, Turkey, Italy, Mongolia, Laos, Chile, Mexico, Argentina and South Sudan. The new presence in Gambia steals the limelight. It is our 43rd nation in Africa and the 136th at the global level. The missionaries going to all the missions are: 2 coadjutor brothers, 6 priests and 17 young practical trainees. The homelands of the missionaries are the following by continent: 2 from America, 3 from Europe, 8 from Africa and 12 from Asia. It is significant that there are 9 confreres from missionary India. All of them will do a short course of missiology and salesianity in Italy before their departure for their definitive destinations.

As every year, the missionaries from the Daughters of Mary Help of Christians will also be sent forth at the same celebration in the Basilica of Mary Help of Christians at Turin.

Another 25 Salesians from the five continents will participate in this missionary feast. They are following a three-month ongoing course of missionary formation. May the same love for Christ, for his Church, for the young and for Don Bosco, find a dwelling in the hearts of all of us and especially of our new missionaries.

Witness of Salesian Missionary Sanctity
Fr. Pierluigi Cameroni SDB, Postulator General for the Causes of Saints

Venerable Vincenzo Cimatti (1879-1965), great teacher of spiritual life. This was his advice to a young confrere: “1. Pray for the souls entrusted to you – by name - and continuously, especially for the discontented ... no one is perfect ... 2. Patiently wait for the fruits – especially in caring for the sick; 3. I cannot find the exact words of Don Bosco, but they go something like this: ‘In my life I have tried to do everything possible to please men, but I have never succeeded. Believe me, it is not possible.’ Therefore, we try to please the Lord by doing our duty. And, finally, “laetare et bene facere” ... and let the sparrows sing (not only internally but also externally).

For the Salesians and young people of Africa

So that the Salesians of Africa can offer young people, in their own land, the formation and the opportunity to develop their human, Christian and professional life in a dignified manner.

Millions of young Africans are forced to migrate due to the lack of opportunities in their own country. We pray that this predominantly young continent will rightfully find their path to full human and spiritual development.

In every young person a point of goodness is accessible and it is the primary duty of the educator to discover that sensitive cord of the heart so as to draw out the best in the young person.
